MIOGE 2007 had an extensive 4-day programme which included over **20 technical seminars** as well as various presentations, workshops, receptions, entertainment and other activities.

MIOGE was covered by over **70 media**. Both general and industry press representatives attended the press-conference as well as the exhibition and the congress. The Media Village featured stands of over 30 industry publications, including *Oil & Gas Journal*, *Upstream*, *Argus*, *Pipeline*, *Neftegaz*, *ROGTEC*, *Oil & Capital*, *Oil & Gas Vertical*, *Oil & Gas Eurasia* and many others.

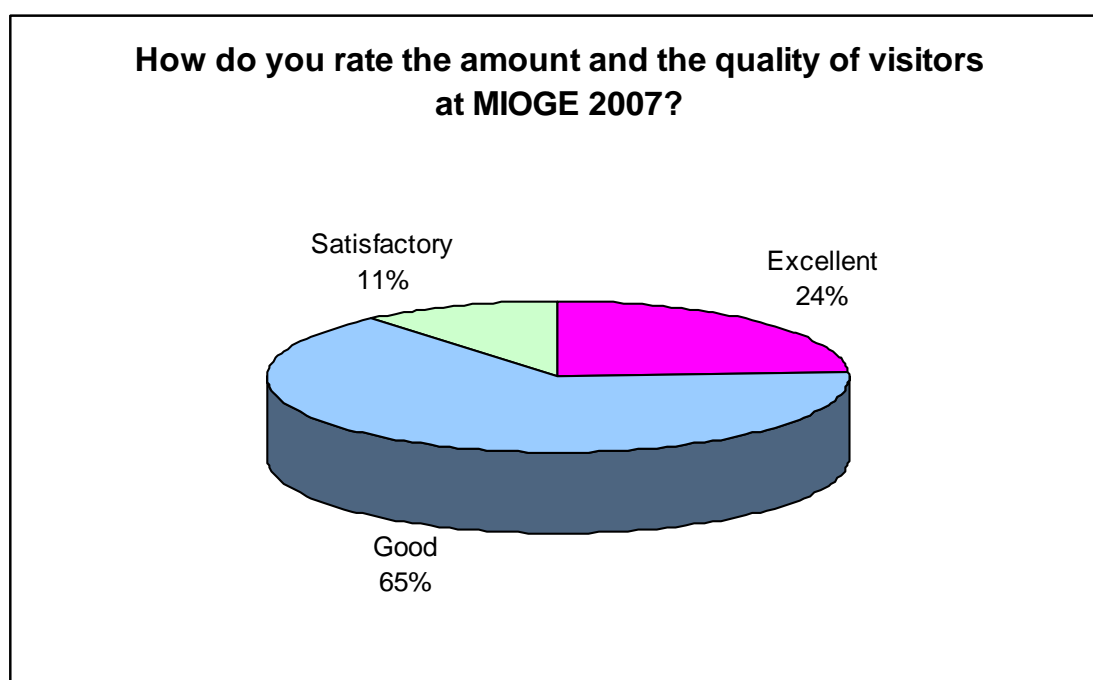

MIOGE 2007 Gala Reception was held in the Grand Mariott Hotel on the 26th June. Over 1200 guests attended this reception. Awards for the best stand design in several nominations were given to the following exhibitors: *Gazprom*, *Weatherford*, *Shell*, *Gazprom-neft*, *Gaz de France*, *TMK*, *Integra*, *Canadian National Pavilion*, *German National Pavilion*, *Hydromash-service* and *Sumy Frunze*.

5th Russian Petroleum and Gas Congress held alongside the exhibition was a great success. 700 delegates representing senior management of Russian and international companies attended this event. Over 50 presentations were made during three days of the congress. Social events included Luncheon, Cocktail Reception and a Gala Dinner.

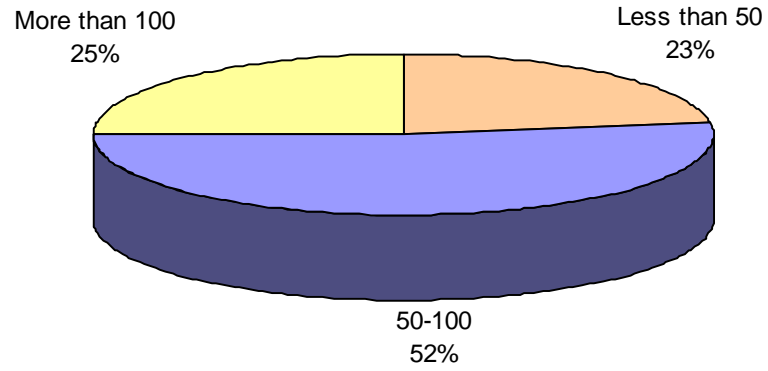

Most of the participants had a very successful show and are already committing themselves for participating in MIOGE 2009. We also look forward to seeing you at the Russian Petroleum & Gas Congress next year (June 24-26, 2008), alongside Neftegaz 2008 exhibition in Moscow.
